ABOUT COMPANY

At Shree Shakti, we believe in creating Packaging Solutions that especially cater to the necessities of those businesses which appreciate premium craftsmanship and sophistication.

Our products are designed whilst keeping a high control and check over quality and precision. Our niche product range has been created for enhanced operations of Agro, Infrastructure, and Shipping Industries.

Shree Shakti Syn Bags is an ISO 9001:2015, 22000:2005, 14001:2015 certified organisation with accredited quality measures. The Plant is strategically Located in Pithampur, Madhya Pradesh which is well connected to Major Sea and Dry ports.

TEAM OVERVIEW

Experience that reins from over 25 years and an impeccable hallmark of credibility in the industry is where Shree Shakti was conceived and since then is on a mission to become the revolution of the Bulk Packaging industry. Our founders and directors are committed and passionate to deliver a superior quality of products through this endeavour while bring a new zest in the market.

The founders aim to nurture an organisational culture of ethical business practice and giving back to the society by being responsible corporate citizens.

EXPERTS IN FIBCS

FIBC which stands for Flexible Intermediate Bulk Container is also known as Jumbo Bags and are economical and Ideal Packaging for storage & Transportation of Powdered, Granulated or bulk materials.

FIBC Bags are Manufactured using High Quality Virgin Polypropylene Woven Fabric that are stabilized against UV Degradation.

Capacity: 500 kg- 2000Kg

Safety- 5:1 or 6: 1 (5:1 for single use and 6:1 for multiple use or for UN Bag)

Depending on the bag design and Size.

Optional LDPE Liner can be included to provide additional protection against moisture.

QUALITY ASSURANCE

“Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skilful execution; it represents the wise choice of many alternative” (William Foster).

At Shree Shakti, we believe in investing in quality today to hold edge over low pricing tomorrow and in the long term. Our systemic process of quality control and measure helps maintain transparency with our clients, vendors, partners as well as our grass root workers. Quality and high standard hygiene is a philosophy at Shree Shakti, it is what binds our product to our purpose and thus set us apart. The measures of quality are clearly stated and are expected to be followed by everyone involved in the process essentially, at every step.
